Culinary question or have a cooking situation, call Chef Bob, the Neighborhood's Chef

Chef Bob, when informed of a food allergy, can take the required and necessary precautions to ensure all foods are prepared safely.

20% Gratuity for a party of 6+ at server discretion one or separate checks

We have a Celiac-Friendly menu so (C-F) designates the menu item is made or can be made with Celiac-friendly ingredients.

We have altered our food allergy, sanitary and staff processes for a safe, minimal contact dining experience. Chef Bob cares about every order he personally prepares, and it takes a little longer, but people say, "it's worth the wait."

THIS is what makes *Charlton's* a different and a true neighborhood restaurant.
